- Eaton Rapids Conservation Club is putting on a traditional course:
  - **When:** April 20-21st from 9-3:30
  - **Sign Up Link:** [Hunter Education - Traditional Course \(kalkomey.com\)](https://www.kalkomey.com/hunter-education-traditional-course)
- Eaton County Pheasants Forever is sponsoring a Hunter Safety Course field day at Chief Okemos Sportsman's Club
  - **When:** May 18th from 9-1:30 open to 65:

*This is a field day only; students must bring proof of online course completion (<https://www.hunter-ed.com/michigan>) OR bring a completed copy of the Chapter Review Exercise questions in the back of the "Today's Hunter in Michigan" book. This is a community service program offered by the Chief Okemos Sportsman's Club in cooperation with Pheasants Forever of Eaton County and Michigan DNR. There is no charge for the field day. If you choose to take the online training option, there is a small charge for that. If you wish to do the free self-study approach, the "Today's Hunter in Michigan" books are available through Pheasants Forever of Eaton County, contacting Taelor Robinette at 517-667-0966. We will do some review of the material, help you take the written exam, and, hopefully, send you on your way with your new Hunter Safety Certificate. Please see attached documents on registration instructions on creating a profile.*

*The link for this class will show that it is OPEN for registration April 15th and then will be open to the public May 4th: <https://michigan.storefront.kalkomey.com/em/events/6692>*
